DAVERIO1933 - TERMS OF SALE AND TECHNICAL INFORMATIONS

Each piece of jewelry from the DAVERIO1933 collections is accompanied by a personalized card indicating the jewel's specifications and the retailer's name. All jewelry is delivered with personalized packaging and shopping bags, together with an institutional brochure telling the history of the brand.

A DAVERIO1933 showcase plaque is included free of charge.

For orders exceeding €20,000, a custom-designed display, tailored to your shop windows, will be provided free of charge. A 40% deposit is required upon order confirmation. The remaining balance must be paid in advance prior to delivery.

Ordered goods will be delivered within thirty (30) days from receipt of the advance payment. Delivery times are indicative; the Seller shall not be held responsible for delays caused by circumstances beyond its control.

Minimum order quantity: €15,000.

A return option of up to 50% of the order is available within 12 months from the date of purchase, subject to a 20% reconditioning fee on the value of the returned products.

All DAVERIO1933 jewelry is covered by a 24-month warranty, valid from the date of delivery.

ACCESS TO THE ONLINE PLATFORM

Upon written authorization from the marketing department, the D33 retailer may access the company archive. All provided materials are protected by copyright and remain the exclusive property of DAVERIO1933. Once a commercial relationship has been established, orders may also be placed through the online platform provided by the Company, with no minimum order quantity required. Within the scope of the territorial concession granted under this agreement, the Authorized Retailer will receive exclusive, personalized access to a dedicated online platform, offering digital catalogs and detailed presentations of the purchased collections. Access is strictly restricted, non-transferable, and limited to the Authorized Retailer's internal use. Any reproduction, disclosure, or communication of the platform's contents to third parties is strictly prohibited.

TECHNICAL INFORMATIONS ON OUR JEWELRY

Our jewelry can be made in rose, white, or yellow gold, as well as in natural or black titanium.

White Gold Treatment: our white gold undergoes a rhodium plating process. The gold weight indicated in our catalogs may vary slightly, up to a maximum of approximately 3–4%. The weight of diamonds and precious stones specified for each model remains unchanged.

Rings can be produced in the size requested at the time of order. Rings featuring our special prong mechanism allow for an adjustment of up to two sizes. Ring resizing is available at the cost of shipping only. Delivery times for this service range from 7 to 12 working days, provided that the ring can be adjusted to the requested size. If resizing is not possible, the ring will be reordered as a new piece.

TITANIUM COLLECTIONS

Titanium is an extremely hard and resistant metal. The collections are produced in two colorations: natural titanium and black titanium. Natural titanium, shown in the catalogue in its grey tone, does not undergo any treatment after sintering or fusion and retains its original color even with daily wear. Our black titanium is obtained exclusively through a controlled heating process, without chemical treatments or surface coatings. This procedure involves the entire structure of the metal, ensuring a stable and permanent coloration over time.

On each piece of jewelry, where space allows, the name DAVERIO1933, the logo, the hallmark BG 27, the 750-gold fineness mark, and Made in Italy are engraved.
